

## **FEE SCHEDULE**

**ISI** Therapeutic Family Services, LLC bases fees on a sliding scale basis.

**The standard fee for services is \$95.00 per session.**

*In an effort to provide services to those families where the cost of sessions is prohibitive, the following sliding scale is offered:*

GROSS FAMILY INCOME \$60,000 OR LESS CAN BE NEGOTIATED  
DOWN TO \$60.00 PER SESSION.

GROSS FAMILY INCOME \$60,000-\$80,000, FEE CAN BE  
NEGOTIATED DOWN TO \$80.00 PER SESSION.

GROSS FAMILY INCOME OF GREATER THAN \$80,000 WILL BE  
ASSESSED THE FULL \$95.00 PER SESSION.

*Payment is due at the time services are rendered. I do not presently contract with any insurance companies and do not bill them for your sessions. However, if you have a health insurance policy, they will usually provide some coverage for mental health treatment. I will fill out forms and provide you with whatever assistance I can in helping you receive the benefits to which you are entitled; however, you (not your insurance company) are responsible for full payment of my fees. It is very important that you find out exactly what mental health services your insurance policy covers.*
